AGU cannot publish any works without a properly effected publication license.

Thank you for submitting your Contribution for publication. In order to expedite the editing and publishing process and enable the American Geophysical Union to disseminate your Contribution to the fullest extent, we need to have this Open Access Agreement executed. If the Contribution is not accepted for publication, or if the Contribution is subsequently rejected, this Agreement shall be null and void. **Publication cannot proceed without a signed copy of this Agreement and payment of the appropriate article publication charge.**

A. TERMS OF USE

1. The Contribution will be made Open Access under the terms of the [Creative Commons Attribution-Non-Commercial License](#) which permits use, distribution and reproduction in any medium, and allows derivative works to be produced and licensed under different terms than the original work, provided the original work is properly cited and is not used for commercial purposes.

2. Information on the terms of the Creative Commons License is available [here](#).
3. The Contributor may make use of the submitted and peer reviewed versions of the Contribution prior to publication, provided that such use is not for commercial purposes and the final Contribution is cited appropriately as set forth in paragraph E below. Nothing herein shall permit dual publication in violation of journal ethical practices.

B. RETAINED RIGHTS

The Contributor or, if applicable, the Contributor's Employer, retains all proprietary rights in addition to copyright, such as patent rights in any process, procedure or article of manufacture described in the Contribution.

C. PERMISSION TO PUBLISH

In order to facilitate dissemination of the Contribution in accordance with paragraph A above, the Contributor grants to the American Geophysical Union, during the full term of the Contributor's copyright and any extensions or renewals, a non-exclusive license of all rights of copyright in and to the Contribution, and all rights therein, including but not limited to the right to publish, republish, transmit, sell, distribute and otherwise use the Contribution in whole or in part in electronic and print editions of the Journal and in derivative works throughout the world, in all languages and in all media of expression now known or later developed, and to license or permit others to do so.

D. CONTRIBUTIONS OWNED BY EMPLOYER

If the Contribution was written by the Contributor in the course of the Contributor's employment (as a "work-made-for-hire" in the course of employment), the Contribution is owned by the company/institution. In such case, the company/institution hereby grants to the American Geophysical Union, during the full term of copyright, a non-exclusive license of all rights of copyright in and to the Contribution for the full term of copyright throughout the world as specified in paragraph B above.

E. COPYRIGHT NOTICE

The Contributor and the company/institution agree that any and all copies of the Contribution or any part thereof distributed or posted by them in print or electronic form as permitted herein will include the notice of copyright as stipulated in the Journal and a full citation to the Journal.

F. CONTRIBUTOR'S REPRESENTATIONS

The Contributor represents that the Contribution is the Contributor's original work, all individuals identified as Contributors actually contributed to the Contribution, and all

individuals who contributed are included. If the Contribution was prepared jointly, the Contributor has informed the co-Contributors of the terms of this Agreement and has obtained their written permission to execute this Agreement on their behalf. The Contribution is submitted only to this Journal and has not been published before. (If excerpts from copyrighted works owned by third parties are included, the Contributor will obtain written permission from the copyright owners for all uses as set forth in the Creative Commons License selected, and show credit to the sources in the Contribution.) The Contributor also warrants that the Contribution contains no libelous or unlawful statements, does not infringe upon the rights (including without limitation the copyright, patent or trademark rights) or the privacy of others, or contain material or instructions that might cause harm or injury.

I consent to this agreement.

SELECT FROM THE OPTIONS BELOW:

Contributor-owned work.

U.S. Government work. *A contribution prepared by a U.S. federal government employee as part of the employee's official duties, or which is an official U.S. Government publication, is called a "U.S. Government work", and is in the public domain in the United States.
